AREA ATTRACTIONS

Arecibo Lighthouse & Historical Park (787) 880-7540

www.arecibolighthouse.com

The Arecibo Lighthouse and Historical Park is a cultural theme park located in the surrounding area of the Arecibo Lighthouse. It has an innovative and unique concept that includes, among other things, five cultural representations of Puerto Rico's history, which transports all of our visitors through historical and cultural events from the Spanish Conquest of 1493 to 1898 when this lighthouse was built and the Spanish-American war occurred.

Arecibo Observatory – National Astronomy and Ionosphere Center (787) 878-2612

www.naic.edu

The Arecibo Observatory is the largest single-aperture radio telescope on the planet and is used for studies of pulsars, galaxies, solar system objects and the Earth's atmosphere. The Observatory is part of the National Astronomy and Ionosphere Center (NAIC), a national research center operated by Cornell University under a cooperative agreement with the National Science Foundation (NSF).

Camuy Caves (787) 898-5820

www.topuertorico.org/city/camuy.shtml

The Camuy River is responsible for creating one of the largest cave systems and the third-largest underground river in the world. The river runs through a network of caves, canyons and sinkholes that have been cut through the limestone karst base in this region over the course of millions of years.

Hacienda el Jibarito (787) 280-4040

www.haciendaeljibarito.com
